ES90

Estrovera's key ingredient, ERr731, has been used safely and effectively for over 20 years and is supported by clinical studies. Estrovera provides relief for multiple menopausal symptoms, including hot flashes, sleep disturbances, mood swings, irritability, anxiety, and sexual problems.* Visit WhyEstrovera.com for additional information.

Directions: Take one tablet with food and a glass of water once daily at the same time of day or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Caution: Do not use if pregnant or nursing. This product is contraindicated for individuals with any known or suspected estrogen-dependent cancer. If taking medication, consult your healthcare practitioner before use.

Storage: Keep tightly closed in a cool, dry place.
